F-1 Student Vacation Request

Complete and submit this form to your Designated School Official (DSO) for review and approval prior to a break in your enrollment for vacation.

As an F-1 visa student, you must have successfully completed 2 semesters of full-time enrollment at Mid Florida Technological Institute and since your last vacation period (if any) before you are eligible for an approved vacation period. Submission of this request is not a guarantee of approval of a vacation period. Failure to receive proper approval before a break in your enrollment for vacation will result in a termination of your F-1 visa status.

C. Coursework During Vacation

F-1 visa students may enroll in and attend courses during their approved vacation period without being required to maintain a full-time level or an onsite course presence. Final coursework required to complete a degree program cannot be taken during a vacation period and a vacation period cannot be approved for a final term of study prior to degree completion.

In the space provided, list any and all courses that you plan to enroll in during your requested vacation. If you do not plan to enroll in any courses during your requested vacation, please indicate this and do not leave the lines below blank.
